Automotive Systems

Introducing the Total Automotive Sanding System

Engineered to support the ongoing need for cleaner, safer, more efficient and profitable shops.

Best-in-class 3M abrasives combined with premium Festool Automotive Systems power tools and dust extraction solutions. Behold the power of collaboration.

Profitability + efficiency

Improved dust extraction and workstation organization can help reduce rework and wasted time, boosting your bottom line.

Health + safety

Designed with the technician's safety in mind, including improved ergonomics. Something we can all feel good about.

SERVICE all-inclusive

Every system comes with an industry-leading package of service and support. For service at the same caliber as your tools.

Body repair system

Less dust.
More efficiency.

You work smarter. Abrasives last longer.

Offers benefits of 3M high performing products, such as 3M™ Cubitron™ II abrasives, that cut 30% faster than other premium abrasives. Also enables use of abrasives to the end of life.

Body repair system recommended tools and accessories:

Festool Automotive Systems Tools

Goodbye dust. Hello service.

SERVICE all-inclusive

Meet SERVICE all-inclusive

To go with the most comprehensive system the industry has ever seen, the most impressive service and support program available. Be sure to **register your tools** to take full advantage of these services and receive additional benefits.

SERVICE all-inclusive applies to all machines registered within 30 days after purchase which were purchased on or after July 5th, 2016. Visit **festoolusa.com/service/warranty** for more information and for service terms and conditions.

36-Month Comprehensive Warranty

The most comprehensive warranty in the industry provides coverage from 36 months of the date of purchase.

30-Day Money Back Guarantee

Customers are provided with a no-risk, 30-day money-back guarantee. If they are not completely satisfied, they can return the tool for a refund.

10-Year Parts Availability

Spare parts availability is guaranteed for 10 years, providing long-term repair support.

48-Hour Standard Repair

Most tools are repaired and ready to ship back to the customer within 48 hours of the tool being received by the service department.

3-Year Free Shipping

Festool Automotive Systems will cover the cost of shipping tools to the service department and back to the customer for the first three years with our online repair form.

Dedicated Service Hotline

Factory-trained service professionals are available for troubleshooting and questions about repairs at 888-337-8600.

24/7 Online Service Hub

Access spare parts catalogs and product manuals, fill out repair forms and mailing labels, and review video content online anytime.

The Total Automotive Sanding System is engineered to support the ongoing need for cleaner, safer, more efficient and profitable shops.

Profitability + efficiency

- Reduces the amount of dust in the air from sanding, leading to less rework, driving improved cycle time and process efficiency.
- Reduces cleanup time.
- Enhances workplace efficiency by reducing time spent searching for tools and materials.
- Workcenter enables the use of abrasives to end of life, leading to reduced material spend.
- Increases technician mobility.

The Total Automotive Sanding System incorporates the benefits of 3M high performing abrasives, such as:

- 3M™ Cubitron™ II abrasives that cut 30% faster and last up to twice as long as other premium abrasives.
- 3M™ Trizact™ abrasives that leave a finer, more uniform finish.
- 3M™ Perfect-it™ Paint Finishing System, designed to provide a fast, swirl-free finish every time.

Health + safety

- Designed with the technician's safety in mind.
- Integrated dust extraction system reduces dust.
- Anti-static hose.
- Ergonomic, non-slip tool design.
- Pad brake means less tool free spin.
- Improves shop cleanliness.

⚠WARNING

Before using any of the listed products, it is important to read all applicable product *user instructions* and warnings for health and safety information. **Misuse or failure to follow instructions or warnings may result in serious injury or death.** Note: the Festool mobile dust extractor is not approved for use with aluminum dust.

⚠WARNING

Respiratory Products

These respirators help protect against certain airborne contaminants. Before use, the wearer must read and understand the *User Instructions* provided as a part of the product packaging. A written respiratory protection program must be implemented meeting all the requirements of OSHA 1910.134 including, but not limited to, training, fit testing and medical evaluation. In Canada, CSA standards Z94.4 requirements must be met and/or requirements of the applicable jurisdiction, as appropriate. **Misuse may result in sickness or death.** For proper use, see packaging instructions, supervisor, or call 3M PSD Technical Service in the USA at 800-243-4630. In Canada, call Technical Service at 800-267-4414.

Warranty, Disclaimer & User Responsibility:

User is responsible for evaluating the product and determining whether it is appropriate and suitable for user's application(s), including conducting a workplace hazard assessment and review of any regulations applicable in your location. 3M and Festool Products are warranted to be free of defects in material and workmanship. Unless an additional warranty is specifically stated on the applicable product packaging or literature, or provided as part of Festool's Service all-inclusive (see related terms), no further warranty is provided, express or implied. SERVICE all-inclusive applies to Festool products only. ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY ARISING OUT OF A COURSE OF DEALING, TRADE OR CUSTOM IS EXPRESSLY DISCLAIMED.
